Use of Board Meeting Room in Municipal Offices Policy

The selectboard recognizes that meeting space for local non-profit organizations is limited in the Grand Isle County. To support local non-profit organizations in carrying out their missions of service to county communities, the selectboard will allow non-profit organizations based within Grand Isle county to access the Board Meeting Room in the municipal offices for meetings during municipal office hours provided that

- Such use does not pre-empt regularly scheduled meetings of North Hero boards, commissions, committees, or officials in that room;
- That access to the Board Meeting Room is coordinated through the Town Clerk's Office;
- That no meeting will have more than 49 persons present;
- That no long distance calls are made from the telephone in the Board Meeting Room;
- That the organization will ensure that the room is left in its original condition and set-up.
