Seasonal User – Turn On and Turn Off Selection

The following methods are listed for you to choose from; please check one:

- Owner will turn water on and off
- An agent (Plumber/caretaker) will turn water on and off
Name of Agent: _____
Agent's Phone Number: _____
- The NH Water Department, **with required notice**, will turn the water on and off

Owner:

Property ID Number (Tax Map Number): _____

Name: _____

North Hero Address: _____

Phone Number: _____

Email address: _____

NH Water Department turn on/off's are subject to the following conditions:

- 72 hour **notice** is required; **call 802-372-6258**
- Property owner or their designee must be available
- 911 number is clearly visible
- Weekday hours are Monday – Friday 7AM to 3PM, at no cost
- Weekend service, subject to availability, is billed at a \$100 flat fee and is during the hours of 8AM to Noon

The Town is held harmless when the PROPERTY OWNER has elected to turn on/off the water themselves or when utilizing a plumber/caretaker. The PROPERTY OWNER assumes all responsibility for damage to their property and the Town's curb stop.

The Town, **with required notice**, will turn on seasonal users after April 14th and turn off seasonal users no later than November 15th. The PROPERTY OWNER agrees to hold the Town harmless for any and all damage to the property when the water is turned on or off between the above dates.

All seasonal connections will be monitored. Any seasonal connection found not in compliance with the time frames will be shut-off.

Questions should be directed to: NH Water Department at 802-372-6258 or watersystem@northherovt.com
