Description of Project:
Subdivision of Parcel Number 02-00-42 into (3) lots

Application must include all supporting documentation with required information as stated in section 6.5 the North Hero Development Regulations to be considered.

Applicant Signature:  **Date:** Oct. 19, 2018

Application for obtaining any required water supply and wastewater disposal permit is the sole responsibility of the landowner or applicant and must be done before any construction permit can be issued. To obtain more information, or to determine whether a permit is or is not required, contact the Agency of Natural Resources, Department of Environmental Conservation, and Wastewater Management Division (district 6) at (802) 879-5656.
