**Date:** 10/19/18

Application for obtaining any required water supply and wastewater disposal permit is the sole responsibility of the landowner or applicant and must be done before any construction permit can be issued. To obtain more information, or to determine whether a permit is or is not required, contact the Agency of Natural Resources, Department of Environmental Conservation, and Wastewater Management Division (district 6) at (802) 879-5656.
